

Folding-arm awning

Family Classic – the classic awning

Versatile and practical for patios and outdoor seating areas

Open type

On the basic Family Classic type, the awning fabric roller is exposed ("open").
Round end caps at the sides and the fabric cover shell on the front of the fabric roller lend the awning a harmonious appearance.

A host of extra features

- Width of 1 unit max. 700 cm, joined system max. 1950 cm, drop max. 400 cm
- Supplied as standard with classic valance
- Electric motor
- Options:
 Radio motor/
 radio remote control,
 automatic weather sensor,
 LED lighting,
 radiant heater,
 support legs,
 Vario Valance,
 Lewens-Matik

Lewens-Matik (Option)

An additional crank gear mechanism permits smooth adjustment of the awning pitch to adapt it to the position of the sun.

The Family Classic folding arm awning with its typical valance creates a summer-like atmosphere on the patio or balcony. Available in formats up to 700 cm (as a single unit) and up to 1950 cm as a joined system, this awning is perfect even for large areas. A user-friendly awning boasting proven Lewens' quality, the Family Classic can be enhanced by a number of interesting options.

Rain Cover type

The protective cover on the Family Classic Rain Cover type protects the awning against dust, rain and other effects of the weather when retracted.

Encased type

Equipped with a protective cover and back plate, the Encased type of the Family Classic provides secure all-round protection for the fabric roller.

Family Classic

Equipment and technical features

Manufactured and assembled in Germany TÜV-tested safety Quality and technology CE-compliant
